

The diagram shows a vertical banner with a curved top edge. It features three distinct boundaries: a solid black line representing the outer edge of the banner, a dashed red line representing the stitching line, and a solid green line representing the safe area for text and graphics. The text and technical specifications are located within the safe area.

Model STANDARD - drog 3,4 m

58x240 cm vidno področje
62x245 cm velikost grafike

-  **varna cona**
-  **linija šivanja**
